

Believing In Achieving

Session #36, Managing Multiple iPads in Schools, Tignor:

This session will look at how one mid-sized school district (17 schools) manages over 150 iPads for staff and students. We will consider legal, pragmatic, and technical issues.

Presentation notes will be available at <http://ncdpiat.blogspot.com>. Expect the notes to be available beginning October 31. Please download prior to arriving at the conference.
