Content Enhancement: Teaching Smarter in the Co-Taught Classroom

Description:

SIM™ Concept Mastery Routine:

Wondering how to teach students the characteristics and examples associated with a new concept? This routine provides a graphic organizer that will help you lead the students through a systematic way to analyze concepts in a logical, non-threatening way.

SIM™ Question Exploration Routine:

Follow the steps of the Question Exploration Routine to help students learn a process of higher order thinking skills that can be used to answer complex questions and explore main ideas. The routine also helps students explore the information further—both within the classroom and the world at large.

Participants will get .6 CEUs

Instructor(s): TBD
