# **Systems of Care to Address Levels of Support for Behavioral and Emotional Health**

**0.6 CEUs**

**Description:**

Participants will explore key features of a differentiated core and best practices to address problem behavior. A systems approach to school climate and context for understanding problem behavior will be addressed by using a Problem-Solving process, Data-based decision making and Action planning. Finally, participants will examine PBIS team roles, meeting foundations, School-wide Expectations, teachable rules and an acknowledgement system. Teams will leave with an Action Plan for implementation.
