Trauma-Informed Care-Building Your Toolbox

0.6 CEUs

Description:

This informative session will provide participants with insight into how the brain works, develops and is impacted by developmental adversity including trauma. Practical application of these key concepts that can be useful in everyday educational setting will be presented. This interactive session will highlight strategies and interventions that promote optimal social and emotional health and enhance your skills in trauma-informed care that promote a positive change for student success in our schools.

Instructor(s): Alexander Youth Network

Questions: Contact Support Staff at shelby.snead@dpi.nc.gov or 919-807-3999

***Special Assistance:** Any individuals requesting accommodations under the Americans with Disabilities Act should contact the support staff before the training.*

****NOTICE****

Call support staff to add your name to the waiting list when institute becomes full.

If payment is not received by June 16, participants will be contacted by support staff via phone and email to confirm payment has been mailed.

On June 30, participants who are on the waiting list will be contacted to confirm attendance and reminded to bring payment to institute.
