SUBJECT: ANNUAL REGISTRATION OF LEGALLY BLIND STUDENTS NOW OPEN

The annual registration of students who qualify as legally blind is now open. Please read the following carefully to ensure accurate and timely submission of information.

The Annual Registration of Legally Blind Students is used to calculate the amount of Federal Quota Funds designated for the purchase of educational materials for eligible students through the American Printing House for the Blind. Students in public and private schools, including home schools, are eligible to participate in this program. To be considered eligible students must meet the following requirements:

1. Student enrollment in the LEA as of January 6, 2020;
2. Written education plan, such as an IEP, Section 504 Plan, or any other written action plan;
3. Current eye report within the past 3 years from an ophthalmologist, optometrist, or neurologist, which indicates the student Meets the definition of blindness (i.e., central visual acuity of 20/200 or less in the better eye with correcting glasses or a peripheral field so contracted that the widest diameter of such field subtends an angular distance no greater than 20 degrees) or Functions at the Definition of Blindness;
4. Signed Parent Permission Form for each infant, preschool, or school-aged student registered.

Please note that school systems are responsible for maintaining up to date records in the case a federal or state audit occurs.

If an LEA has an eye report that does not indicate specific acuity and/or field measurements, but the educational staff believes the student meets APH’s medical criteria, the Medical Addendum Form or the NC Ophthalmological/Optometric Summary Template must be completed by an authorized medical professional in order to place the child on the Registration. Authorized medical professionals include the student’s: optometrist, ophthalmologist, and/or neurologist.
Please note that the **Parent Permission Form, Medical Addendum Form, and NC Ophthalmological/Optometric Summary Template** (if needed), are not collected by NCDPI; rather they are kept in the child’s educational file within the LEA.

To register students:
- Enter all eligible students onto a single **NCAPH Data Collection Template**
- Password protect the template
- Send the template as an email attachment to `ncaph@dpi.nc.gov`
- Submit password used to protect the template to [http://bit.ly/APH-2020-Info](http://bit.ly/APH-2020-Info), in order for NCAPH to access the data

Registration opens today, January 6, 2020, and closes February 14, 2020. If your LEA has **no qualifying students**, you must send an email to `ncaph@dpi.nc.gov`, state your LEA name, and indicate “No Eligible Students.”

Please note that the Annual Registration of Legally Blind Students is different from the Deaf-Blind Census. However, a student may qualify for both if the appropriate criteria is met. Information about the Deaf-Blind Census will be distributed in February 2020.
