### Reporting of 2016-2017 Training Hours for Interpreters and Transliterators

Educational interpreters and cued language transliterators are required to earn 15 hours of job-related training per year (G.S.115:110-2). Local education agencies (LEAs) and Charter Schools report to the Exceptional Children Division the training that their interpreters/transliterators have earned each school year.

The focus on job-related training is to improve the professional's knowledge and skill and ensure students with hearing loss who require an interpreter or transliterator as a related service, accommodation or supplemental aid or service, can access the curriculum and the total school environment in accordance with FAPE. Training includes participation in DPI-sponsored interpreter and transliterator trainings; onsite or online North Carolina Registry of Interpreters for the Deaf (NCRID) and Registry of Interpreters for the Deaf (RID) sponsored workshops; and college and university courses that are directly related to interpreting and transliterating.

The process for reporting training hours will be completed electronically this year. The form may be accessed by using this link, <https://www.surveymonkey.com/r/G387KKS>. One form should be completed for each employed or contracted interpreter or transliterator. Training hours from July 1, 2016, to June 30, 2017, should be reported by July 15, 2017.
