RE: Announcing New Section Chief for Special Programs and Data

I am happy to announce the hiring of Kevin Allen as the new Section Chief for the Special Programs and Data Section. Kevin has been working for the division as a Regional Consultant for Charter Schools. Prior to working for the division, Kevin was an Exceptional Children Director in Harnett and Lee Counties and has had vast experience in the special education arena.

We look forward to Kevin taking on this leadership role both within his section and as a part of the division leadership team. When I first spoke with Kevin and welcomed him aboard, I also offered him the challenge of incorporating PRC 29 into his section and all the opportunities that brings with it. We are excited Kevin has joined us, and ask that you extend a welcome as well.
