The EC Division is re-releasing **Version #2** of the EC Process Training Modules in order to support the implementation of ECATS and as a result of policy questions received during the first week of ECATS training. This version is a PowerPoint format that contains speaker notes and can be edited at the local level for training.

Please consider providing this information to the individuals you selected to attend this summer's ECATS training as it will provide the details for many of the policy questions raised as users are oriented to the new platform.

**Part Three**

- (1) EC Process Module #4c: Measurable Goals
- (2) EC Process Module #4d: LRE and ESY
- (3) EC Process Module #5: Reevaluation

\*Please note - Multiple messages will be required in order to deliver all of the EC Process Modules.

If there are additional questions, you may send them to [ECATS.Info@dpi.nc.gov](mailto:ECATS.Info@dpi.nc.gov) so that a consistent response can be coordinated.
